We Experienced The Affair

CHARACTERS

Kaji Yukito

A former Yankee and
rumored to be a cool guy
He calls Kotori, 'Pi-chan'

Kaji Kotori

A girl who loves Otome games
She's never had a real
boyfriend, but...!!

STORY

On the day of the High School Entrance Ceremony, Yukito, a boy with the same last name as Kotori, arrives late in class. Somehow, before the school ceremony day, he accidentally witnesses her being dumped in her Otome game while she's got the dowsing rod on. Worse than that, he is rumored to be a former Yankee during his Middle School days!!

At first, Kotori was really suspicious of him, but she soon becomes captivated by the gentle and real Yukito. Both of them do not only share the same last name, but they also find out that they have the same birthday and blood type.

Yukito confesses, 'I like You' and Kotori and him kissed.
But not knowing how to react, their relationship began to grow sour.
On top of that, the fact that they are dating has become known throughout the entire class. !!

We want to go, too! Let's all go play together.

I wonder if Yukito likes sweets?
Chocolate brownies, huh?
In middle school, when we practiced making candy, there were girls who gave it to boys and I was envious of them
Why Doki Memory?
If I gave it to him I wonder if he would accept it
It would be nice if he accepted it.

Will you make it into a heart or something?
Eh!?
If I were a boy I'd definitely want it!
What's wrong?
Oh...
But what's with that?
I'm happy you said that kind of thing.
In front of her, this kind of thing is happening

This...is my first time talking with a girl in my class for so long...
I thought that finally I can talk to you easily, thanks...
Kotori-chan is really cute.
Heh heh
heh
Nooo, I'm a slow, weird person.
When we met, don't you remember telling me I was slow?
I really couldn't read the atmosphere.
Eh, you're wrong.
Not that you're slow, that your boyfriend is.
Huh ...

Earlier your boyfriend was jealous, right?
He tried to make you angry on purpose.
Jea...
Jealous?
No way!
Of what!?
It was like that.
Eh of what?

But could it be, at that time?
What he said was strange and made me mad, but
Yukito is jealous because of something to do with me?
But you guys get along well
It was like he was playing around with you
p... playing around?
I'm... Ibuki.
Nice to meet you.
Ibuki Natsume
ESP?
But... it's kind of amazing, huh?
Thanks for telling me I didn't know!

I told you the girls were practicing making sweets
Really? I wonder if I'll get to eat any.
Yukito it will be nice to get some.

The girls are coming back!
Oi, Homeroom is starting Everyone hurry and take your seat.
What should I do? I want to give it to him, but
But everyone is here so it's embarrassing

Good! Where're we going?
Yukito today you're going home with us, right?
Yeah

.....
Just as I thought everyone is here.

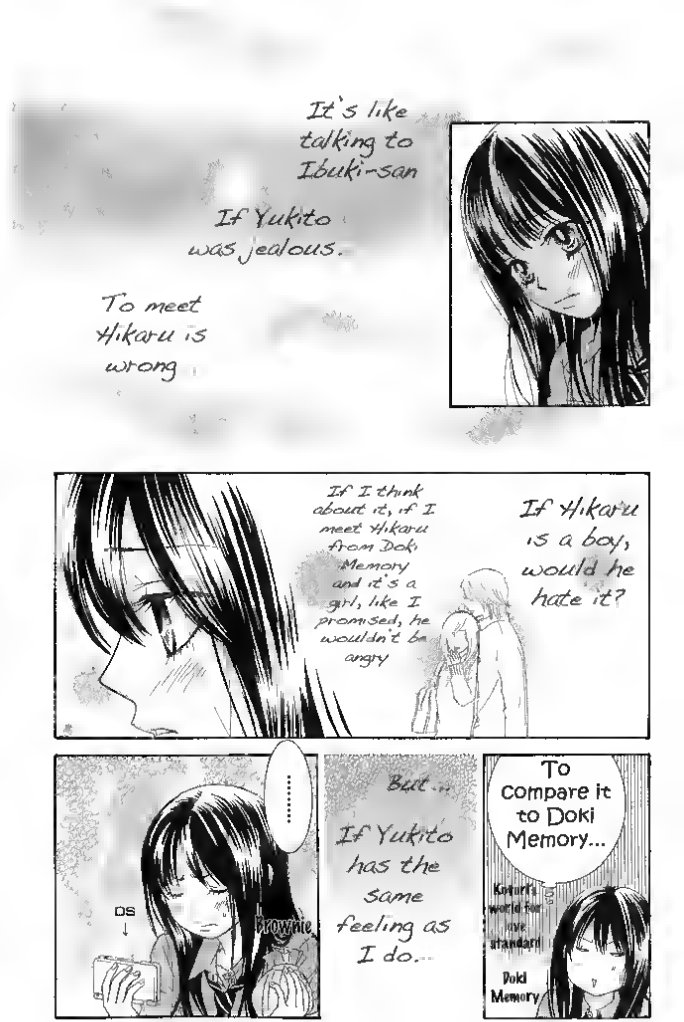
I'm going to meet Hikaru in this state of mind, for the first time...

What should I do with this? Keep it until tomorrow?

I'm such a coward!
I want to be like the other girls. They handed it over so majestically.



It's like talking to Ibuki-san
If Yukito was jealous.
To meet Hikaru is wrong
If I think about it, if I meet Hikaru from Doki Memory and it's a girl, like I promised, he wouldn't be angry
If Hikaru is a boy, would he hate it?
.....
DS
Prowrite
But...
If Yukito has the same feeling as I do...
To compare it to Doki Memory...
Kotori's world for me's standard!
Doki Memory

Wait! Kaji Kotori what are you doing?
It was only a few more minutes.
Yukito also didn't come. After I went through all the trouble of writing that note.
*Mega-mac: A limited four layered McDonalds Burger. Avaible only in Japan.
Hey Harada how long do I need to stay here?
No one is coming right?
Eh, really?
It's okay! Just wait there! I promised you a Mega Mac* didn't I?
At any rate, Kaji is a long haired girl. If she comes, say you're Hikaru and talk with her about stuff as much as you want!
Afterwards when I give the signal, hug her, got it?
Sorry Hikaru!
I really can't meet today.
I don't want Yukito to misunderstand.
Sorry!

Geez
Clinging to a person that's easy for Yukito to see.
Yukito, you haven't gone home yet? That's new, why?
Well, yeah.

Hey go up to him.
Oh look
Yukito is still here, right?
Ah... um hey, won't you eat this? It's from practice, but...

I'm sorry...
I can't accept it...

Ah ~~ Yukito.
Earlier, Sensei grabbed me
Like making the lines.
Huh?
Hey you're free, right? You don't have any interest in preparation for the sports festival do you?
Eh...
You're my friend, right?
Oh
What a beautiful friendship, Sensei is also happy. Do your best!
Dash to the school yard meeting.
Uwah!
It can't be!?

Clunk
Yukito -san's shoes aren't here.
He really did go home already.

Ring Ring Ring
I want to see him, and give him the brownies and tell him my feelings.
but I want to meet and talk to him!
This is the phone away service. You are being connected
Hey, good job. You can go home.
Sensei, we're done.
I... I wasn't connected ...

It's dark now.
It's already 6:00

I really don't know many things.
I didn't notice that Yukito was jealous...
I'm too slow.
Squeeze
I...
The world is really small
There is no reply by e-mail.
Even though it's usually an instant reply
But if I do it any more I'll really seem stalker-ish
I also don't know Yukito's friends address

What are you doing here?
Ah...
Huh, Kaji!?
He's not at the school still?
Him?
When I offered to walk home with him, he said no again I though it was because he was going to be with Kaji
A...
Abe-kun, you don't know where Yukito is? If you do know, could you tell me?
You're not with Yukito?
Abe -kun
.....

I--I see Thanks Abe-kun I'll try to return to the school.
Haha That's kind of stiff, Abe -chi is okay.
Everyone calls me that, right?
Huh?
You're Yukito's girlfriend, so don't think anything of it.
Ah... well then Abe -chi
Yep, Kan, you don't know my mail address, right? If it's about Yukito you can mail me anytime.
Oh yeah. Yukito... today, the practice sweets, he didn't receive any, that's too bad.
See you.
Ah...

Thanks!
Abe-chi!
Today it seems like I've become closer to various people
Iwaki-san
and Abe-chi
We talked like friends
Finally
I want it to become like this even more, I have to be able to talk like this by myself

Hurry Hurry
Train
Come!
!
Kotori!
Yukito!?

Yuki
HUH!?
BAM
Yukito...

No....
It's danger -ous!
Slip
Risky!
Because I saw Kotori. ♡

*Suki: Like or love

Hey, I...
Earlier, another girl said she wanted me to take some, but...
Uh-
Yes! This is the first time Kotori has said "like" to me, right?
Ah!
It's kind of weird, huh?
When she said it, for a moment I felt all fuzzy but I wasn't happy.
I really,
thought I want it from Kotori.
Thanks for this.

I...
I...
Like Yukito
The precious thing...
I like you.
...me too.
Even the words exactly
It's Yukito, isn't it? We've been meeting a lot
There are times when you can't reach him, or can't tell him.
Eh, why?
For helping him
Earlier Nishi-yan gave it to me,
Ah Do you want this coffee?

To flirt in this kind of place.
Ryosuke?
You again.
...No way...
Kaji...?
Kaji Kotori?
We experienced the affair. END

New characters will begin to appear here and there in this 3rd Volume. Touki Natsume appeared in the 'name only' a little bit since Volume 1, but did you guys notice? For those who didn't, please feel free to go back and look. I planned this character to appear much earlier, but I missed the chance. So they will all finally appear here in the 3rd Volume.
